Address : Ankara, Turkey
Cell Phone : 90 (530) 910 01 98
Nationality : Republic of Turkey

Summary

I graduated from mechanical engineering department of Middle East Technical University (METU) in 2016. I've been living in Ankara currently but I had lived in all 7 regions of Turkey thanks to my father's work. Hence, traveling and meeting new people became my passion. Also, to benefit from student societies, sport clubs and all kinds of other opportunities of the university, to know myself and others better, to train different disciplines, I attended students clubs actively.

Core Skills & Highlights:

- Excellent computer skills
- Computer aided drawing (CAD) - SolidWorks
- Computer aided engineering (CAE) - ANSYS Workbench
- Excellent technical writing
- Team worker
- Quick learner
- Result oriented

Job Experience

Internet Services Specialist

Company : Lionbridge Technologies, Inc.

Date : March 2013-... (Working)

Job Description :

- Webpage content and quality analysis
- YouTube and Google search result evaluation

Company : TAI - Turkish Aerospace Industry

Date : June 2013 - July 2013 (1 month)

Job Description : I did my summer internship in TAI-Turkish Aerospace Industries Inc.

The areas I worked on:

- Production
- Chemical Process
- Heat Treatment
- Management

Education Information

University (Bachelor's Degree)

School : Middle East Technical University (METU), Ankara, Turkey

Department : Engineering Faculty, Mechanical Engineering (English)

Graduation Date : June 2016

Additional Information : Technical elective courses that I took:

- Acoustics and Noise Control Engineering
- Nondestructive Evaluation of Materials
- Fuel Cell Fundamentals
- Energy Conversion Systems

Foreign language

	<u>Reading</u>	<u>Writing</u>	<u>Speaking</u>
English	Fluent	Fluent	Fluent
Spanish	Intermediate	Intermediate	Intermediate

Competencies

Test Information

Name : TOEFL (Test of English as a Foreign Language)

Score : 103 / 120

Institute : ETS (May 2017)

Details : Reading (29), Listening (28), Speaking (22), Writing (24)

■ Scholarships/Projects

Projects

METU Mechanical Engineering Design Course

Project Title : Design of a Spider Cam

Project Completed : February, 2016

Awards

High Honor Roll of Middle East Technical University (June 2015)

Additional Information

METU student societies that I joined when I was in university:

- Couple Dances Club (Freestyle)
- Underwater Society (Freediving)
- American Football Team
- Mountaineering and Winter Sports Club
- Tennis Club
- Classical Guitar Society
- Amateur Astronomy Club
- Jazz Society
